

The Independent Living Centre of Waterloo Region is proud to present the 16th annual Tournament of Hope. All funds generated by this golf classic support ILCWR's Access Fund, with a mission to meet the needs of individuals with disabilities in our community.

For 16 years the Tournament of Hope has been supported by golfers, friends, and local businesses and has raised over \$345,000 and assisted 130 individuals in our community.

Thank-you, and we hope you enjoy another successful day of golf!

The Independent Living Centre of Waterloo Region extends our sincere appreciation to our sponsors for their tremendous commitment to the success of our event. Many thanks also go to our generous hole-sponsors, supporters and volunteers for their generosity of time, money and spirit.

The Lajoie Family

For many years, Dan Lajoie has played an important role in our community and on the Tournament of Hope committee. After losing their van in a frightening and traumatic explosion while on a family camping trip in July 2012, Dan, Maggie, and children Jacob and Mia, kicked off a fundraising effort to overcome the loss. The Tournament of Hope is pleased to help the Lajoie family reach their goal and regain their mobility!
